About Me

My name is Jazmine. I have been a Lubbockite since birth! I love this town, its rich culture, and its people so much! My husband of 7 years and I, both are Lubbock High Alumni. We have 2 dogs, Beau & Ellie Mae. My love for coffee began at a very young age thanks to my Grandmother. Since then, it has always been a staple for me. This love for coffee has also allowed me to work as a barista in different aspects over the last 10 years. When I'm not trying new coffee throughout the area, I have the highest privilege to do what I love and serve as the Children's Pastor in a local Church in LBK. In early 2021, I started a coffee Instagram page for fun and honestly so I could stop flooding my personal page with all the (probably annoying-haha) coffee stories. That's where CoffeeLBK started and since then, I've loved stepping out of my box and trying seasonal and signature drinks from all over the West Texas area while being able to promote local businesses!
